### Aerosols

#### Lubricants

10-008-02

Loosens Rust-to-metal Bonds and Frees Stuck, Frozen or Rusted Metal Parts, Dissolves Most Adhesives, Silicone Free

**10-008-02      WD-40 LUBE SPRAY, 8 OUNCE, AEROSOL      Can**

A pure, non-staining super dry, heavy duty, multi-purpose silicone lubricant. Safe for use on almost any surface. Heat stable from -40°F to +285°F. Reduces friction and annoying squeaks in hinges, latches, springs, gears and other mechanisms.

**MB325-16      ALL PURPOSE SILICONE LUBRICANT      Can**

### Carpet Care Products

#### Carpet Stain Removers

Immediately removes stains from a variety of institutional, industrial and commercial carpets. Emulsion formula breaks up and lifts out most oil- and water-based stains including fruit juices, coffee, wine, tea, motor oil and more. Leaves no sticky residue. Contains DuPont Zelan® stain blocker to replenish carpet's factory-applied stain resistance for long-lasting effectiveness. 32 ounces per bottle. 6 bottles per case. \*\*Only sold per case.

**10-350-01-4      CARPET STAIN REMOVER      Case**

#### D'Vour

Devours liquids such as spilled bodily fluids as it eliminates odors. D'Vour is manufactured with a special polymer which, when sprinkled lightly on liquid, transforms it in seconds to an odorless semi-solid mass for fast, easy clean-ups! D'Vour will absorb 100 times its weight! Ideal for spills in grocery stores, restaurants, health care facilities or schools. Use D'Vour to set free-flowing liquids (except in the case of oils for which Big D Granular Deodorant would be best) and to destroy odor fast. Not to be used for spills of strong oxidizing materials such as acids.

**BD166-1      D'VOUR 16 OZ CAN, ABSORBENT      Can**

## Chemicals

### Carpet Care Products

#### D'Vour

This kit is in compliance with OSHA to safeguard against exposure to blood borne pathogens. Comes with all necessary protection items and a registered phenolic disinfectant aerosol spray (kills HIV and tuberculosis). Each kit contains: 3 oz. packet of D'Vour, one pair of disposable latex gloves, one protective face shield, shoe covers, apron, isolation mask, two scoops, absorbent towel, antiseptic towelettes, two disposable bags with twist ties, 12 oz. aerosol phenolic disinfectant and step-by-step instructions for cleanup and proper disposal of waste materials.

**BD173 EXTRA DUTY D'VOUR KIT, ABSORBENT Pack**

#### Defoamers

#### No Foam

Concentrated defoamer for use in the pickup tank of soil extractors. Add to tank before starting machine or spray into tank with a spray bottle for easy fast foam knockdown. One or two ounces of No Foam is usually sufficient for the average tank.

### Chemical Treated Towels and Cloths

Stainless steel cleaner and polish in a convenient towel. Cleans, polishes, brightens and protects without dripping or over spraying. Prevents water marks and corrosion while it preserves the high luster of stainless steel. For use on stainless steel, chrome and aluminum. 9-3/4" x 10-1/2" pre-moistened towels. Self-dispensing canister. 6 tubs per case, 30 towels per tub.

**14-930-03                      WIPES, STAINLESS STEEL                      Case**

## Chemicals

### Chemical Treated Towels and Cloths Tough Towels

Tough Towels are the most advanced paint adhesive, sealant, grease and grime destroying shop wipes on the market today. They remove all types of inks, paints, acrylics, lacquers and enamels, as well as stains, varnishes, polyurethane sealers, tung oil and other refinishing materials. Tough Towels are more effective at removing difficult soils, and they do the job more quickly and easily than the competition. Because Tough Towels are used without water, we employ the most skin-friendly solvent available. Convenient for waterless work sites and field locations. Tough Towels make easy work of epoxies, industrial adhesives and all types of caulks and sealants. They also remove tar, inks and graphite. Tough Towels provide twice as many clean-ups as other products of its type...at a comparable cost-per-tube. Disposable, toughest cleansing action built in, added conditioners leave the skin moisturized. 150 towels per tub.

## Chemicals

### Floor Finishers and Sealers Iron Coat

The complete floor finish that is outstandingly hard and durable. It is a combination sealer and finish for all types of floor finishes. Its high solids formula has a tough film which is outstanding durability, superior black mark and scuff resistance. Responds easily and quickly to spray buffing and low or high speed buffing. Extremely easy to apply, flows on perfectly and levels out evenly. Dries to a hard, outstandingly durable shine that is safe under foot. Recommended for use on vinyl, asphalt tile, linoleum, rubber, terrazzo and sealed wood. UL approved as to slip resistance.

<b>PC1059-1</b>	<b>PIONEER IRON COAT</b> <i>(6 gallons per case)</i>	<b>Gallon</b>
<b>PC1059-5</b>	<b>PIONEER IRON COAT</b> <i>(5 gallons per pail)</i>	<b>Pail</b>

Bona SuperSport One Finish is the leading one-component sport finish for durability and appearance. A premium waterborne wood floor finish, it's specifically formulated for professional use on maple sport floors, providing a tough, urethane finish with good build. MFMA-approved and VOC compliant VOC does not exceed 145 grams per liter. Provides excellent chemical resistance

- Protects against perspiration and routine cleaning
- Easy to maintain
- Virtually odorless
- MFMA approved
- Fast drying - approximately 2-3 hours
- Non-flammable
- Water clean-up
- Will adhere to most solvent-based and waterborne finishes after proper preparation, drying and curing times
- Slightly amber

## Chemicals

### Floor Finishers and Sealers Seal All

Formulated to protect and seal the interior of natural stone such as marble, granite, slate and limestone, as well as concrete, terrazzo, ceramic (porous) tile and grout, brick, masonry and stucco. Provides an invisible, breathable sealer within the substrate that repels soils and oils, prevents urine staining, and allows the substrate to be easily cleaned and maintained, without changing the natural appearance. The water-based formula is virtually odor-free, is safe to use on outdoor surfaces, and provides protection for up to 5 years.

### General Purpose Cleaners Super Shine Green

**SUPER SHINE GREEN** is a part of the **PIONEER** effort to build products with more environmentally preferred materials. These products are formulated to achieve a high level of cleaning performance while providing a significant benefit to people and the environment. **SUPER SHINE GREEN** is a neutral pH product designed to dry without streaking. No rinsing is necessary. This cleaner can be used on all types of flooring not harmed by water. Use on waxed floors without concern for dulling the finish. Deodorizes as it cleans with a fresh scent. Manufactured with viscosity control, not gummy or thin and watery, but with the proper consistency to go to work instantly. Its balanced suds level produces just the proper amount of bubbles to emulsify the soil completely; free-rinsing, leaves no dirt catching residue on the surface. Excellent for cleaning all types of floors, walls, venetian blinds, painted surfaces, busses, cars, anywhere that cleaning is needed. Unsurpassed in cleaning windows – quickly removes all soil and smog, leaves the glass sparkling. **Great when used in auto-scrubbers for cleaning gym floors, multi-purpose rooms and hallways.** **SUPER SHINE GREEN** solution does not strip wax. It removes all soil and dirt from floor surfaces and preserves their rich waxed beauty. Spread solution on floor, allow several minutes for chemical action to dissolve and emulsify all soil, then pick up with a wet vacuum or mop; no rinsing is necessary. Light scrubbing is necessary only when floors are extremely dirty.

**10-011-01-5 SUPER SHINE GREEN Pail**  
(5 gallon pail for use with Pioneer Proportioning System)
